2022 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

Bordentown Township FD No. 2

FISCAL YEAR: January 1, 2022 to December 31, 2022

Answer all questions below using the space provided. Do not attach answers as a separate document.

1. When is the Fire District's annual election? (February and/or November) If November, was the resolution submitted to the Division?

November	
Yes	

2. Complete a brief statement on the 2022 proposed Annual Budget and make comparison to the 2021 adopted budget.

The 2022 cpa compliant budget increased by \$198,418.00 (7.6%) primarily due, in part, to contractual and benefit increases, the purchase of a new command/support vehicle and the inclusion of \$30,572.00 FEMA-AFG grant awarded to the District to be used for physical fitness equipment (F-3). The command/support vehicle is only anticipated to affect this year as unrestricted fund balance will be utilized for the purchase. The vehicle is anticipated to serve the District for a period of 10 years. The District is receiving an additional \$40,339.77 in additional taxes from improvements within the District.

3. Explain any variances over +/-10% for each line item. Attach in FAST any supporting documentation that will help to explain reason for the increase/decrease in the budgeted line item.

Unrestricted fund balance use increases by \$33,332.00 (20.4%) which will be utilized for the purchase of a new command/support vehicle. Grant revenue increased by \$30,571.00 (2114.2%) with the award of a FEMA-AFG grant. This expense is accounted for on page F-3 under physical fitness equipment. Interest on debt service payments dropped by \$1,892.00 (-18.9%).

4. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation, the use of the Restricted and Unrestricted Fund Balance(s) and how they are complying with the Property Tax Levy Cap. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

Amount to be raised by taxation increased by \$189,624.00 (7.6%) due to increases in salary, fringe benefits, and slight increases in administrative and ooperational costs. Unrestricted fund balance increases and is utilized to offset cost increases as well as a one time purchse of a command/support vehicle. This vehicle is anticipated to serve the District for 10 years. Unrestricted fund balance usage is anticipated to lower next year because the District does not foresee another vehicle purchase in the near future.
